

# Support the voucher journey!

Changing the heart of the city!

## STEP 1

The public responsibly hands out vouchers at traffic lights, on the streets or donate back to MES Outreach & Social Workers' programme.

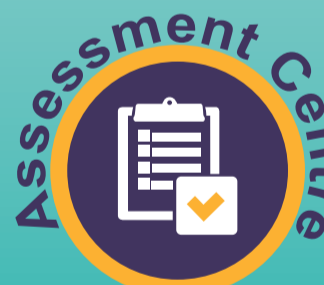

### Pro's of vouchers:

1. Replaces financial means to substance abuse = harm reduction.
2. Puts homeless person in contact with holistic services = sustainable exit.
3. Financial influx to MES = life-changing services to the homeless

## STEP 2

A homeless person is directed to MES

This person is now introduced to MES services, which includes:
